- Brought forth a passion and dedication to software development

## **Front-end Developer at PonyaSchool – 04/2022 to 12/2022:**

- Tasked with Building a Landing website for their upcoming online coding boot-camp.
- Handled UI and UX design, Copy-writing and Content creation.
- Handled Client communication and requirements gathering.

## **WHO AM I?**

I'm Mwayi Fortune Solomon Kamvantope, the fifth child in a home of six. I'm a Software Engineer by trade and Game developer by passion and I'm currently undertaking a Bachelor's degree of Science in Computer Science at DMI St-John The Baptist University, Lilongwe, Malawi. I'm a passionate advocate for the use of technology to further improve the livelihood of all life and I take this approach in every task I undertake, but also maintaining an understanding that not all social problems can be solved with technology.

I am an experienced Software Developer adept in bringing forth expertise in design, installation, testing and maintenance of software systems. Equipped with a diverse and promising skill-set. Proficient in various platforms, languages, and embedded systems. Experienced with the latest cutting edge development tools and procedures. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

## **EDUCATION**

### **Secondary Education:**

- Malawi School Certificate of Education (MSCE): Cherub Private Secondary School
